(Cincinnati: August 25, 2009) – Melissa Donovan, Managing Director & Chief Compliance Officer for Meyer Capital Management, Inc., has been selected as a member of the *Cincinnati Business Courier's* 2009 class of Forty Under 40.

In its 13th year, the Forty Under 40 competition spotlights an impressive group of local professionals and community leaders who are not yet 40. This year, judges selected the winners from among more than 470 nominations. They will be honored at a luncheon on Thursday, September 24.

Melissa's extensive experience in the investment management field began in 1994 at high-yield bond specialist Pacholder Associates (currently JP Morgan Asset Management). Subsequently, she obtained several years of private client experience at Johnson Investment Counsel. In 2001, Melissa joined Meyer Capital Management, Anderson Township, a full-service, fee-only Registered Investment Advisor for private, non-institutional clients in the Cincinnati area. She successfully progressed through increasingly complex, broad-based roles and currently serves as Managing Director & Chief Compliance Officer.

Melissa holds a B.S. degree from Xavier University and completed the Certified Financial Planner program at the College for Financial Planning in addition to other professional continuing education. A resident of Kings Mills, Melissa's volunteer and community service involvement has included Building Blocks for Kids (President, Treasurer, Board Member, Annual Benefit Chair), Kindervelt of Cincinnati Children's Hospital Medical Center (Treasurer, Financial Adviser, Service Chair, Membership Chair and Board Member), and Anderson Area Chamber of Commerce (Membership Committee).
